1. Upon the request of at least one half, but in no case less than six, of the States Parties to this Protocol, any proposal to amend the limits specified in article 6, paragraph 1, article 7, paragraph 1 and article 8, paragraph 2 of the Convention as amended by this Protocol shall be circulated by the Secretary-General to all Members of the Organization and to all Contracting States.

2. Any amendment proposed and circulated as above shall be submitted to the Legal Committee of the Organization (the Legal Committee) for consideration at a date at least six months after the date of its circulation.

5. When acting on a proposal to amend the limits, the Legal Committee shall take into account the experience of incidents and, in particular, the amount of damage resulting therefrom, changes in the monetary values and the effect of the proposed amendment on the cost of insurance.

6. (a) No amendment of the limits under this article may be considered less than five years from the date on which this Protocol was opened for signature or less than five years from the date of entry into force of a previous amendment under this article.

8. An amendment deemed to have been accepted in accordance with paragraph 7 shall enter into force eighteen months after its acceptance.
